PRESS RELEASE

Dear guests,

In advance we wish you a great and exciting sporting event here at the **CS Ranch**.

**Schweizer Vermögensberatung** is part of the **DVAG Group** in Germany, the largest financial advisory firm in Europe. With our bancassurance advisory concept we focus on the needs, goals and wishes of our clients, enabling them to successfully build their wealth.

We are especially proud to be a loyal sponsor of the **CS Classic** at Corinna Schumacher's Ranch. This partnership resulted from the friendship between the family of Prof. Dr. Reinfried Pohl (the founder of our German, Austrian and Swiss financial advisory firms) and the Schumacher family. Since 1996 DVAG sponsored the seven-time Formula One World Champion Michael Schumacher. Today this sponsorship continues and has been deepened with Mick and Gina Schumacher, the children of Michael and Corinna.

Corinna Schumacher is also an excellent example of competence, commitment and humanity with her CS Ranch. These are values which we too hold ourselves in the DVAG group and also at Schweizer Vermögensberatung. We are proud that together with Corinna Schumacher and the **CS Ranch** we have been able to support the exceptional and professional reining competitions for years. Also this year's championship promises again exciting competitions with top sporting performances.

**Schweizer Vermögensberatung** focuses on comprehensive bancassurance advice for its clients. We record the wishes and goals of our clients and support them in building up their assets in a targeted manner. We accompany our clients for insurance issues, investments, home financing and financial planning. Thus, we find the right financial solutions for our clients and accompany them in every phase of life.

# HERZEN'S ANGELEGENHEIT

by Gina Schumacher

"THESE DESIGNS REMIND ME OF  
MY LOVE FOR HORSES AND  
MY PASSION FOR REINING."

*Gina Schumacher*

Visitors coming to the **World Reining Event** these days are wondering about some very special pieces in the popular **CS Boutique** - Gina has gone among the designers. Together with the fashion label **HERZEN'S ANGELEGENHEIT**, she is releasing a capsule collection that celebrates Gina's passion for horses and the sport of reining: "The name **HERZEN'S ANGELEGENHEIT** says it all, because horses and my sport of reining are exactly that for me: a matter of the heart."

With the fashion label **HERZEN'S ANGELEGENHEIT**, she has a partner who shares her devotion and unites the world of fashion and that of equestrian sport with a joint collection.

The capsule collection is characterised by high-quality fabrics and expressive designs. The silk blouses with print are a highlight and capture equestrianism perfectly. They are complemented by timeless cashmere jumpers with fine embroidery that are the ideal companion for everyday wear. Fringed scarves as a fashion accessory round off the look - after all, the sport of reining has its roots in the world of cowboys.

The collection is available at the **CS Boutique** here on site and in the online-shop: [www.herzensangelegenheit.com/eu/de/gina-schumacher](http://www.herzensangelegenheit.com/eu/de/gina-schumacher)

# Into the skies on four hooves.

Horses travel first class with Lufthansa Cargo.

Sometimes, even horses have to fly: When sporting or breeding horses change owners across international boundaries or tournament horses need to be transported for competitions abroad, flying is often the quickest and kindest way. But transport still requires real sensitivity for

all those involved, as horses are naturally nervous animals that are jumpy about anything out of the ordinary. The employees at the Lufthansa Cargo Animal Lounge at Frankfurt Airport have real empathy and finesse where these creatures are concerned.

They look after more than 2,000 horses a year, aiming to make their stay and their travel to far-off lands as comfortable as possible. There are around 4,000 square meters in Frankfurt set aside for looking after, feeding, housing and the further transport of animal passengers.

Sabine Grebe, who has been in charge of the Animal Lounge since 2010, is herself a passionate dressage and western rider. Like so many of her colleagues, she has turned her passion for animals into a career: "We all put our hearts into this, 24 hours a day, 365 days a year." There is no other way, as the four-legged passengers are very demanding and require particular attention.

"We do our utmost to keep their stress levels down as low as possible," says Sabine Grebe. This is particularly thanks to the special containers developed by Lufthansa Cargo. They are perfectly adapted to the needs of the horses. "At the same time, all transports are planned such that we can load in peace and give all the horses plenty of time," Sabine Grebe says, explaining to horse owners how careful they are. After the containers are loaded, the freighter is immediately ready on the apron. "The routes are deliberately kept short," reports Sabine Grebe. "Finally, we make sure that the animals are only boarded shortly before takeoff." The containers are loaded slowly and carefully into the aircraft using a lifting platform and secured in place. All animals are accompanied at all times by a qualified groom who looks after their charges throughout the journey.

With all these careful measures, it is no surprise that even national teams from various countries rely on the expertise of Lufthansa Cargo and entrust the airline with the transport of their valuable horses. And all the leading breeders are always happy to use the services in Frankfurt again.

Once the moment arrives when the horses are high above the clouds, beginning to peek curiously out of their containers and nibbling on their hay, Sabine Grebe and her team know they have once again done a first-class job.
